Email newsletter

In addition to our comprehensive website, [Commercial News Media](#) also produce a series of email newsletters, summarising the key deals and breaking stories.

Our newsletters are read by more than 54,000 regular readers from across the country in eight regionally focussed newsletters - twice per week on a Tuesday and Thursday for the West Midlands, East Midlands, South West, Wales, South, North, and London and the South East, and weekly on a Tuesday for Scotland.

Our news and email outputs are focused on the regional business and commercial property markets across the country as well featuring national and international news.
